Your Tasks

1. **Search on YouTube** for beginner-friendly SAP BTP tutorials.
(Example keywords: *SAP BTP tutorial, SAP BTP for beginners, SAP Build tutorial, SAP BTP Cloud Foundry introduction.*)
2. **Watch and follow the tutorial to:**
 - Understand what SAP BTP is
 - Explore its basic features
 - Try any available hands-on demo (example: creating a simple app, exploring SAP Build, or testing BTP cockpit)
3. **Prepare a short demo (2/3 minutes)** showing:
 - What you explored
 - What tutorial you followed
 - What steps you tried
 - What you learned from the process
4. Demo in the class on 24.12.2025.
